proof of the pudding

Applause!

“Thanks for a terrific evening. Our CEO made a comment this morning about what a great evening it was and several people thanked me for the wonderful food. I told them my only contribution was being smart enough to choose Proof of the Pudding.”

*Jeff Hawkins, CTC

“Everything was absolutely fantastic. Our guests made a point to tell me how good the food and service was! Thank you so much for such a professional job. I will definitely Recommend your group!”

*Pam Harrison

“We wanted to express our extreme pleasure with the service and food we received from Proof at our holiday party. We had nothing but compliments from the boss, employees and many of the guests. It was our best party to date. Your company made our event a total success and fret-free!”
