

A Day in the Life of a Volunteer

Proof is "nacho" average concessionaire. Our scratch cooking plus creative and unique concepts make memorable food and beverage experiences for our guests and employees! Each venue has a different timeline to ensure the best experiences are made - see below for what you can expect with any given venue.

Universities- Universities have year round fundraising opportunities with football, basketball, baseball, and more! Usually check In is about 2 hours before the gates open for guests. Groups can expect to be onsite for about 8 hours on a game day. Time will fly once you have a line of customers!

PGA Golf- We travel for tournaments all across the US. When we come to a golf course near you, we would love to have your group for the whole tournament! That means usually Wednesday-Sunday of all day fun - we can be flexible though so please contact Sammy for more information!

Boat Shows- Boat Shows are a one of a kind experience all across Florida. Please contact Brooke for more information!
